

IFMA Utah Chapter

Oct 14, 2008
11:00 am

Monthly Meeting

TOPIC: **Annual Service Project and Intermountain Medical Center Tour**

The Intermountain Medical Center is the site of this year's annual IFMA service project. There will be a building tour by the Regional Facilities Director after the meeting. Also, we will conduct chapter business, have a spotlight, watch a short video, put together care packages, and eat lunch. We will have supplies available to be packaged for the NICU (ICU for premature babies) but *anything anyone can bring in addition would be greatly appreciated*. Donations may include: preemie size diapers, onesies, blankets, socks, etc. Most parents aren't prepared when the baby comes early so these kits will really help bridge the gap and give them time to get settled.

Presenter: IHC Regional Facilities Director will conduct Facility Tour

RSVP: By Monday, Oct 13, at 5 p.m. Online at <http://www.ifmautah.org/meeting.htm>, or call 801-994-6384 and leave your name

Cost: IFMA Utah Chapter Members - \$5 ea, others \$15 ea
(Additional \$5 each for those who attend without an RSVP)

Where: **Intermountain Medical Center** 5121 South Cottonwood Street Murray, Utah 84157

Directions: West Auditorium of the Doty Education Center – North of the main patient tower
(see attached map)
